

Thermoglass™ Square Knitted Rope & Joint Tape

DESCRIPTION

Amatex Thermoglass knitted ropes are made in numerous sizes and densities to meet most end uses. If you require a compressible rope with good elastic properties or if you require a denser rope for a firmer seal, we can fill your needs. Knitted tapes are used for sealing flat surfaces and as gaskets on stove windows. Square Ropes are specialty products for special end uses.

APPLICATIONS

- Wood Stoves
- Coal Stoves
- Pellet Stoves
- Gas Stoves
- Boilers
- Ovens
- Furnaces
- Fireplaces
- Dust Collectors
